

SETLIST

A Minigame for Jukebox: The Karaoke Musical TTRPG

SETLIST

Create a karaoke playlist or musical soundtrack for your TTRPG character in this minigame for Jukebox. If their life was a musical, what is their setlist?

Name
The character

Played By
The player

TRACKS

"I Want" Song

.....
What is a song that perfectly encapsulates your character? This is their theme song. It plays during the intro credits.

Nostalgia or Memory Song

.....
Where do they come from? What do they consider home? What does their past sound like?

Obsession or Love Song

.....
Who or what do they love, emphatically and proudly?

Torch Song

.....
Who or what do they "hold a torch for", quietly, in the lonely moments?

Battle Bop

.....
What song plays when they walk out onto the battlefield?

Grief Song

.....
When was a moment they experienced grief or loss? What song was playing?

Roll twice or pick two songs on the **Bonus Tracks** table to finish your setlist.

d8 Bonus Tracks

- 1 **Group Anthem** *What song represents the group or faction they are a part of?*
- 2 **Downtime** *What song is playing when they relax or unwind?*
- 3 **Trippy Dream Sequence** *During dreams or the interpretive dance number, what is playing?*
- 4 **Villain Song** *Who or what is their greatest nemesis or fear? What do they sound like?*
- 5 **Location Song** *Where is this story taking place? What song represents that place?*
- 6 **Musical Montage** *Have they undergone a transformation? What played during the montage?*
- 7 **Duet** *Who are they singing with? How does this song represent their relationship?*
- 8 **Death Song** *What melody plays in their final moments?*

Track A

Track B

Setlist is a minigame for Jukebox, a gm-less rules-light role-playing game where you create your own epic musical via the power of karaoke. Support the Kickstarter go.jarofeyes.com/bbcjukebox
